GET-TO-GETHER AND BUFFET SUPPER

SALE HEADQUARTERS—HOTEL BOZEMAN

GUARANTEE APPROVED BY AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls sold as separate lots are guaranteed breeders, provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers are guaranteed breeders, except that calves sold by the side of the dam as one lot and heifers under 16 months of age shall not be served by a heavy or old bull. Cows and heifers bred for more than three months, according to the service date furnished at the time of sale, but not proving in calf, must be reported to the seller within three months after date of sale; all others served within three months prior to the date of sale, not settled or proving to be in calf must be reported within six months. Females over 16 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. Any animal not proving up to the foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser but the seller may, if he desires, have the animal returned for a period not exceeding six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, the purchaser shall be given the option of having the purchase price refunded without protest, or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply upon any animal later substituted.

5. All animals are sold subject to a 6-day retest for tuberculosis, or to comply with the laws of the State or County into which they may be shipped. Animals shall be segregated from the buyer's herd until the retest is made, except the herd be a Federal Accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State Veterinarian deputized by the State Veterinarian, who is co-operating with Federal Veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction, except that the purchaser shall agree to accept a substitute. Blood test will be made when it is required by the destination State or County.

6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser, but at his risk of loss or injury after bid off.

7. **TERMS:** Cash. All settlements to be made with the representatives of the Montana Shorthorn Breeders' Association immediately after the close of the sale, but it shall be expressly understood that said Association assumes no liability, legal or otherwise, and that the above guarantee and terms shall constitute a contract between the consignor and purchaser of each lot.

8. Sale Manager Henry Holecek and the officers of the Montana Shorthorn Association assume no responsibility for liability incurred in this show or sale. While every precaution will be taken for buyers' and spectators' safety, the sale manager and directors can assume no responsibility.

9. **SHIPPING ARRANGEMENT:** It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bids are off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

FREE FREIGHT OFFER

The American Shorthorn Breeders' Association, Chicago 9, Illinois, will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment to be made only by rail and must be consigned to a point more than 300 miles from sale location.

Complete Dispersion *of the* **AXTELL HERD**

Built up by Carl and Joe Axtell of Bozeman, Montana, is featured in this fall sale.

While this is a Dispersion, the Axtell cattle sell under the same high guarantee approved by the American Shorthorn Breeders Association.

Founded in 1900, the Axtell herd has been one of the most prominent in the Northwest. The Axtell's have always bred and raised their cattle under conditions that inspired confidence in their health and breeding condition.

Failing health and the lack of competent help makes this Dispersion necessary.

The cattle sell in pasture condition without fuss and fiddle. They present an opportunity to buy top working Shorthorns selling with their work clothes on.

RIVERSIDE R. COLLYNIE—We are consigning this solid Red polled calf to this sale because we think he is good. He is sired by Collynie Count Charmer, bred by Lewis W. Thieman, Concordia, Mo., and was consigned to the Sedalia, Mo., sale Oct. 1945, as the calved property of V. B. Tagin, Lorthrop, Mo., where we purchased him for the second highest price paid for bulls in that sale. His dam is Red Oak Seraphina 9th x2187943, bred by R. E. Philip of Red Oak, Iowa. She was the grand champion female at the 1944 Omaha spring show and sale. Anyone interested in Polled Shorthorns should look this calf over.
